

CANADA RANKED #1 DESTINATION IN 2017 BY NEW YORK TIMES

The New York Times newspaper has named Canada its top destination for 2017. Canada is huge — the world's second-largest country by area. It's also a world unto itself, with cosmopolitan cities, barely explored natural wonders and everything in between, says the newspaper.

1 in every 5 Canadian citizens are immigrants born outside the country. Canada welcomes over 300,000 immigrants every year. Not only is it an amazing place to start a new life, but also to visit. Be you an immigrant or a tourist, 2017 is the year to be there! In honor of the 150th anniversary of its confederation, when the original colonies came together as one country, Canada is rolling out the welcome mat.

Prime Minister Justin Trudeau endorsed the article in a tweet: "Canada is number 1 on this list – and I couldn't agree more. Come and see us during #Canada150 celebrations this year!"

Beckon makes your immigration to Canada and the application process as simple as possible by providing you with a professional assessment of your visa options and a group of certified Canadian immigration professionals to help you through the visa application process.
