

66th Express Entry Draw Update
ITA'S Issued: 3,409
CRS Score: 449

Draw Update:

Under Canada's **66th** Express Entry draw **3409** candidates were issued with invitations to apply by the immigration, Refugees and citizenship Canada which took place on **28th June-2017**. The Express Entry draw issued invitations to applicants who scored **449** points or above.

Mr. Attorney David Cohen said in a statement that if draw sizes remain comparatively larger. We may see lower CRS thresholds deeper in 2017. Adding to his previous statement he said it is clear that large draw sizes and falling CRS cut off thresholds are linked. We can look forward to more invitations being issued through the 2nd quarter of this year and beyond.
